

Cancer Support Group

Finding Our New Normal.

Regardless of where you are in your journey – whether you are facing a new cancer diagnosis, receiving treatment, or caring for a loved one with cancer – connecting with others is important. Facilitated by our Licensed Clinical Social Worker, this group is designed to be a confidential, open support group where a variety of topics are discussed related to the everyday challenges of living with cancer and beyond.

**Cancer Center of
Western Wisconsin**

Cancer Center of Western Wisconsin
