## Financial resources for abortion

### If you have insurance

- Call your insurance provider to see what's covered. If your plan fully or partially covers abortion services, ask for an in-network clinic.
- Minnesota Medical Assistance (MA or Medicaid) covers abortion care.

### Other funding sources

- Funding may be available through state or national organizations including:
  - » **Our Justice**  
Minnesota organization that provides assistance with funding and lodging.  
[ourjustice.net/abortion-assistance](http://ourjustice.net/abortion-assistance)
  - » **National Abortion Federation**  
Toll-free, multi-lingual hotline for abortion referrals and financial assistance.  
[prochoice.org/patients/naf-hotline](http://prochoice.org/patients/naf-hotline)  
1-800-772-9100
  - » **National Network of Abortion Funds**  
Connects you to organizations that can provide for financial and logistical needs.  
[abortionfunds.org](http://abortionfunds.org)
- Ask clinics that provide abortion services about any financial help or discounts the clinic may offer.
